

## Weather (the complex part)

NOAA scientists, Lockheed Martin Flight Service Station, and other professionals will provide us with a full day of weather training. This training is for pilots, right seaters, and all weather enthusiasts. Activities are being coordinated by NOAA affiliate Gerry Creager whose help is indispensable.

**Directions:** Research Campus @ OU, State Highway 9 & Jenks blvd.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
